Deccan Education Society (DES), Pune, established in the year 1884 by freedom fighters, social reformers, philosophers and great thinkers, runs many institutes in Maharashtra.

At the time of establishment, the object clause of DES was “Facilitating affordable education for all by starting, affiliating or incorporating at different places, as circumstances should permit, Schools and Colleges under NATIVE MANAGEMENT”. DES continues to work in the field of education with that same spirit.

Fergusson Centre for Higher Learning was invited by the Government of Andhra Pradesh to establish a higher education institute in the holy city of Tirupati in 2009.

FCHL is an institute under the umbrella of Deccan Education Society of Pune which is a pioneer in the field of education in India. Established in 1884, it has an illustrious legacy of almost 140 years of great contribution in education. With several well known institutes across Maharashtra, it is now ready to start a degree college in Tirupati.

Our courses are aligned with NEP as well as with the aspirations of today's youth. Along with academic courses, we are also offering training programs for competitive exams like PSC, UPSC, GRE and TOEFL. We are committed to high academic standards and humanitarian values. We not only impart education to help students earn their livelihood but also provide a safe and stimulating environment to help them achieve their true potential.
